Purify your body

Our juices are made using cold pressure which helps protect the natural flavour and nutrients of the vegetables and fruits we use. A great tonic to enjoy morning, noon or night.

Green Juice

A punchy and cleansing choice. Working with all the greatest greens including celery, kale, cucumber, apple and lime.

Root Juice

A sweet earthy taste packed with nutrients. In this juice we use beetroot, carrot, turmeric root, cucumber, apple and ginger root. Pow!

Citrus Juice

Wake up with our zingy juice made with fresh watermelon, orange and pineapple.

Seasonal Juice

Working with the best of the season we create for you, our Seasonal Juice. Ask at the counter for all the details.

Cold pressed juices. We've invested to bring you an exceptional selection of freshly made cold pressed juices. This means our juices are unpasteurised and best consumed on the day of purchase. Ask at the counter for all the details.
